FINAL POSITIVE CLEARANCE

Dear professor,

The independent Ethics Committee for the Social Sciences and Humanities (EA SHW), installed by the Executive Board of the UAntwerp (03.07.2012) formulates a 'final positive clearance' with regard to your project **"The role of Nurses in interprofessional pharmacotherapeutical care"**.

In its decision making process, the EA SHW is guided by the Royal Decree implementing the Act of 8 December 1992 on the protection of privacy in relation to the processing of personal data; the Royal Decree of May 7, 2004 regarding experiments on the human person, the EU-"Guidance Note for Researchers and Evaluators of Social Sciences and Humanities Research", the deontological code for the researcher (Annex ZAP-statutes UAntwerp) and the vademecum of the Belgian Privacy Commission on scientific research and privacy.

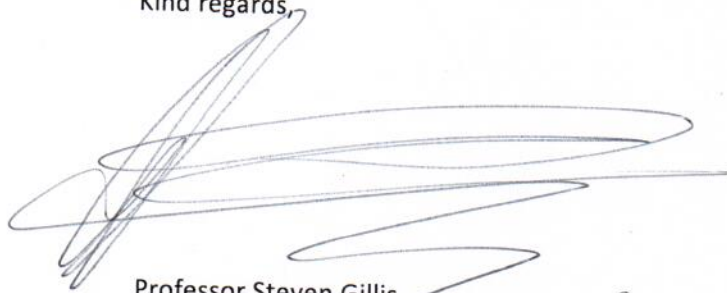

The committee has evaluated the following documents:

- Cover letter (version 1 , submission date 16/10/2017)
- Application file for ethical clearance of the Ethics Committee for the Social Sciences and Humanities of the University of Antwerp (version 2 , submission date 16/10/2017)
- Document 2: Methodology of the study (version 1 , submission date 09/11/2017)
- Document 3: Information sheet for the participant (en/nl) (version 1 , submission date 16/10/2017)

- Document 5: Consent form for the participant (version 1 , submission date 16/10/2017)
 - Document 11: The CV of all the promotors involved (version 1 , submission date 16/10/2017)
- 11a: E-CV_Tinne_Dilles
